

Welcome to **TellMyIRB.com**TM

(IRB = Institutional Review Board)

—Want better protection for research subjects?

**Research Subjects, Family Members,
and Friends ... use this service to
ANONYMOUSLY tell your IRB about—**

- Anything your researcher (or anyone else working with the researcher) does that bothers you
- Anything that might make you want to stop being involved in the research

**IRB Members and Staff ... use this service
to ANONYMOUSLY tell your IRB about—**

- Any of the same kinds of problems listed above
- Anything that would improve researcher-subject interactions
- Anything that would improve the internal operations of your IRB or protocol reviews

Our private feedback service lets you report problems to your IRB in such a way that ***you're not identified*** as the problem-reporter!

See how **EASY** this is! Research subjects and IRB members/staff: to report a problem to your IRB (and IRBs interested in receiving such problem reports), click on <http://www.SolvAnon.com> (or copy/paste that address into your browser).
